Dear Commissioner:

Applicants resubmit herewith the Fourth Supplemental Information Disclosure Statement electronically filed in the United States Patent and Trademark Office on September 9, 2010. In reviewing the Fourth Supplemental Information Disclosure Statement, it was noted that the electronic signature of Applicants' attorney was not present on the Form PTO/SB/08a.

In addition, the PTO Form/SB/08a filed on September 9, 2010 did not indicate the "Name of Patentee or Applicant of cited Document" for each foreign patent document. Accordingly, Applicants re-submit the Fourth Supplemental Information Disclosure Statement and PTO Form/SB/08a correcting these informalities and have again paid the fee therefor.

Nevertheless, as the \$180.00 fee for filing this Fourth Supplemental Information Disclosure Statement was previously paid on September 9, 2010, it is believed that no further payment should be required, and if it is deemed that no further payment is required, please credit our Deposit Account No. 03-2468 for the duplicate fee submitted herewith.

Please charge any additional fees or credit any other overpayment to our Deposit Account No. 03-2468 as well.

It is respectfully requested that this re-submission of the Fourth Supplemental Information Disclosure Statement and Form PTO/SB/08a correcting certain informalities be incorporated into the official file of the present patent application.

Respectfully submitted,
Hubert LANG ET AL
